

# Applying for Federal Grants and Cooperative Agreements

Course Number: 2065

Length: 2 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

## Course Description

---

Learn winning strategies to make the federal financial assistance application process easier and more fluid. Course participants will identify and review funding opportunities to determine the feasibility of submitting an application. Participants will walk through the key components of an effective application. A review of post-award implications will be discussed. In conclusion, participants will assess reviewer comments and identify appeals procedures if an application is not funded. This is a core course in the Recipient Track of the Grants Management Certificate Program GMCP™.

## Intended Audience

---

Staff of potential or current federal financial assistance awards who are responsible for identifying funding opportunities and developing applications for federal assistance programs (grants and cooperative agreements) will benefit from this course.

## Client-Provided Facility Requirements
