

Cost Principles for Federal Grants: 2 CFR Part 200 (Subpart E) and FAR 31.2

Course Number: 2080

Length: 2 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Develop a comprehensive understanding of cost principles around grants, including allowable costs and the difference between direct and indirect costs. You will learn how to use the principles throughout the grants lifecycle: budget development and review, spending decisions, and site visits and desk reviews or audits. This is a core course in all tracks of the GMCP™.

Course Learning Objectives

- Summarize the general history of the cost principles and how they currently apply
- Conduct research using the cost principles to answer cost allowability questions
- Practice applying the cost principles to on-the-job scenarios

Course Additional Features

- Producer Support
- Technical Support Team
- Extended Learning Bursts
- Dedicated In-House Accessibility/Section 508 Compliance
- Student Resource Guides

All details about the Additional Features are available on this page. [Click here to Explore](#)
