

Developing & Monitoring Indirect/F&A Cost Rate Proposals under 2 CFR 200

Course Number: 2085

Length: 2 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Explore indirect cost (IDC) rates through hands-on experience! This course will introduce you to the basics of IDCs (sometimes called Facilities and Administrative or F&A rates). You will explore how to develop IDC rates and prepare and negotiate IDC proposals. This is an elective course in all tracks of the GMCP™ and will enable you to determine which IDC method best applies to your organization—whether state, local, or tribal government; university; or nonprofit.

Intended Audience

Personnel and independent accountants responsible for developing or monitoring indirect cost rates. Auditors and others with oversight of federal grant awards will benefit from this course.

Course Learning Objectives

- Explain the purpose of an indirect cost rate
- Practice reviewing indirect cost rate development practices
