

Audit of Federal Grants for Recipients

Course Number: 2087

Length: 2 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Learn to confidently navigate the audit process. This course will provide grant recipients with a practical and relevant understanding of various types of audits, including the Single Audit. Through interactive exercises and honest discussions, you will learn about the entire audit process as governed by 2 CFR 200, Subpart F. From initiation through results and corrective action planning, this course outlines best practices for effectively managing audits of your grant funding.

Intended Audience

Recipients of federal grants, including pass-through entities and subrecipients

Client-Provided Facility Requirements

- Internet required for instructor computer

Course Learning Objectives

- Describe the basic concepts, processes, and roles within the audit lifecycle
- Identify relevant audit authorities and standards for grants recipients
- Illustrate the main steps and best practices of a recipient organization's audit process
- Interpret an audit report to understand findings and identify proper post-audit tasks for a recipient organization

Course Additional Features

- Producer Support
- Technical Support Team
- Dedicated In-House Accessibility/Section 508 Compliance
- Student Resource Guides

All details about the Additional Features are available on this page. [Click here to Explore](#)
