

Navigating the Uniform Grants Regulation Changes: 2 CFR 200

Course Number: 2401

Length: 0.5 Days

Primary Delivery Method: Instructor-led online (synchronous)

Alternative Delivery Methods: Instructor-led live classroom

Course Description

The Office of Management and Budget's (OMB) 2026 revisions to the Uniform Grants Regulation (2 CFR 200) affect how organizations manage federal awards, document costs, and demonstrate compliance. It is critical for grant managers, recipients, pass-through entities, auditors, and compliance professionals to understand these updates and evaluate their impact on existing policies, procedures, and internal controls.

This half-day course provides a practical overview of the 2 CFR 200 updates and what will be involved in implementing the changes. Through facilitated discussion and a comprehensive overview of the updates to each subpart, participants will gain insight into key updates affecting administrative requirements, cost principles, and audit requirements. The course also provides context for understanding the regulatory update process and preparing organizations for implementation.

Intended Audience
