

CliftonStrengths® Assessment Workshop

Course Number: 4369

Length: .5 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Explore your Gallup CliftonStrengths assessment results and learn how your talent themes influence how you lead, collaborate, cooperate, and approach challenges with your team. In this interactive workshop, you'll gain practical insights to apply your strengths more intentionally, partner with colleagues with complementary strengths, and align people with the work they naturally do best. Discover your superpowers to level up your team's engagement, collaboration, and collective impact to achieve mission outcomes.

Important: You'll complete the Gallup CliftonStrengths assessment before the session and will need to have access to your results during the workshop.

Intended Audience

This workshop is designed for individuals as well as teams of federal employees at any level who want to better understand their strengths and work more effectively together to improve engagement, performance, and mission outcomes.
