

DiSC® Workshop

Course Number: 4372

Length: .5 Days

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Leverage the insights on personality types discovered through the DiSC® assessment tool to improve workplace communication. In this workshop, you will gain valuable information about your personality profile and develop strategies to effectively communicate with others. With practice, you will be able to build lasting workplace relationships and maximize your impact within your organization.

Intended Audience

This course is designed for professionals who want to utilize the DiSC® assessment as a tool for building relationships and self-awareness in the workplace.
