

Accelerating Team Collaboration

Course Number: 4718

Length: 1 Half Day

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Build practical collaboration skills through a fun, scenario-based experience. Participants step into a fictional, high-stakes crime investigation where hands-on activities reveal how teams communicate, make decisions, and overcome silos. In today's fast-paced government environment, mission success depends on strong teamwork. This experience will give government professionals tools they can immediately apply to solve problems and strengthen team results—no matter their role.

Intended Audience

Government professionals on new teams or teams that want to establish a strong foundation from which to improve collaboration. This experience is designed for employees who participate in, manage, or lead cross-functional teams.

Course Learning Objectives

- Strengthen team collaboration and communication using practical tools for engagement and decision-making

Course Additional Features

- Producer Support
- Technical Support Team
- Dedicated In-House Accessibility/Section 508 Compliance
