

Maximizing Team Collaboration and Results

Course Number: 4719

Length: 1 Half Day

Primary Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

Course Description

Transform teamwork into impact. This interactive learning experience helps government professionals strengthen collaboration, improve coordination, and enable results across teams and departments. Using a threaded scenario that places participants in a high-stakes but unfamiliar setting, the session challenges them to navigate complexity as a team. Guided facilitation then connects participants' choices to practical strategies they can use to boost team dynamics and align efforts in their own fast-paced, high-impact environments.

Intended Audience

Government professionals on established teams or teams that want to delve into more advanced collaboration topics. This experience is designed for employees who participate in, manage, or lead cross-functional teams.

Client-Provided Facility Requirements

- Sticky notes. There should be enough sticky notes for each table group to have a small stack of their own to use.

Course Learning Objectives

- Enhance team performance by leveraging informal roles and engaging stakeholders for strategic alignment

Course Additional Features

- Producer Support
- Technical Support Team
- Dedicated In-House Accessibility/Section 508 Compliance
- Student Resource Guides

All details about the Additional Features are available on this page. [Click here to Explore](#)

Course Schedule
