

# Appropriations Law Refresher and Update

Course Number: 5157  
Length: 2 Days  
Primary Delivery Method: Instructor-led live classroom  
Alternative Delivery Methods: Instructor-led online (synchronous)

## Course Description

Refresh your knowledge of appropriations law basics and gain a deeper understanding of the latest changes and developments to ensure the proper use of federally appropriated funds. Through interactive case studies based on recent GAO decisions and a focus on key concepts of appropriations law, learn how to identify changes in policy and their impact to avoid Antideficiency Act (ADA) violations.

## Intended Audience

This course is designed for anyone who attended the *Appropriations Law Seminar* more than three years ago.

## Course Learning Objectives

- Identify the legal framework supporting the legal use of funds in the federal government
- Determine the legal availability of funds related to purpose based on long-standing and recent guidance as well as federal case studies
- Determine the legal availability of funds related to time based on long-standing and recent guidance as well as federal case studies
- Determine the legal availability of funds related to amount based on long-standing and recent guidance as well as federal case studies
- Determine the legal applications of other appropriations law topics based on long-standing and recent guidance as well as federal case studies

## Course Additional Features

- Producer Support
- Technical Support Team
- Dedicated In-House Accessibility/Section 508 Compliance
- Student Resource Guides

All details about the Additional Features are available on this page. [Click here to Explore](#)
