

GFMCP: Governmental Environment

Course Number: 5611

Length: 1 Day

Primary Delivery Method: Instructor-led online (synchronous)

Alternative Delivery Methods: Instructor-led live classroom

Course Description

Prepare for the Certified Government Financial Manager® (CGFM®) Examination 1: Governmental Environment (GE) by expanding your expertise of government financial management to enhance operations. Through in-class and self-study materials, this course focuses on applications of key concepts that will guide you through the landscape of the government environment, including the structure and guidance for financial operations at the federal, state, and local levels. You will cement your knowledge of the legal basis for financial operations, budgeting principles, government financing, public accountability, ethics, and the electronic provisioning of funds. At the end of the course, you will also gain access to the Exam Prep Tool to help you prepare for the CGFM Examination 1 certification.
