

Understanding the CIGIE Blue Book: Quality Standards for Inspection and Evaluation

Course Number: 5893

Length: 1/2 Day

Primary Delivery Method: Instructor-led online (synchronous)

Alternative Delivery Methods: Instructor-led live classroom

Course Description

Gain a working knowledge of CIGIE's Quality Standards for Inspection and Evaluation (Blue Book) and learn how to apply them in OIG inspection and evaluation engagements. You will cover the latest Blue Book revision and focus on independence, competence, planning, evidence, reporting, follow-up, and quality control. With enough practice and support, you will be able to design and perform engagements that are Blue Book compliant.

Intended Audience

The intended audience for this course is OIG Inspection & Evaluation teams (including analysts, evaluators, audit staff on multidisciplinary teams). This course may also be taken by audit or evaluation supervisors responsible for Blue Book compliance. Quality assurance leaders preparing for external or internal I&E peer reviews may also benefit from this course.

Client-Provided Facility Requirements

- White board with markers and eraser

Course Learning Objectives

- Conduct a Blue Book-compliant inspection and evaluation that demonstrates independence, credibility, and peer-review readiness

Course Schedule

DAY ONE	
HALF DAY	Module 1: Working with the CIGIE Blue Book
	Course Evaluation

Learning Methods

Individual and group exercises; lecture; discussion; case study; role playing; and action planning

Credits

National Association of State Boards of Accountancy (NASBA)
