

Frequently Asked Questions

Course Title: Emergency Contracting Basic Course

Course #: 1525

Duration: 2 Days

Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

1. What business or organizational need does this course address?

Get an overview of disaster contracting to respond quickly and appropriately to disasters while remaining compliant with both standard acquisition regulations and specialized rules for emergencies. While acquisitions are the last thing on someone's mind when disaster strikes, acquiring goods and services enables responders to provide life-saving support to the American people. Acquisition personnel on the front lines provide emergency medical care, temporary shelter, and other critical services.

2. Who should attend?

This training course is designed for contracting professionals who may assist federal agencies during the recovery phase of national emergencies and disasters.

3. What will I learn how to do in this course?

- Describe the responsibilities of key players in the emergency contracting process
- Describe disaster contracting and explain how it differs from standard contracting
- Analyze procurement requests
- Understand the required documents and process for completing and filing those documents at a Joint Field Office (JFO)
- Procure needed goods and services during a disaster
- Describe flexibilities and limitations for emergency or disaster contracting provided in FAR part 18

4. What kinds of activities are included in this course?

Lecture, discussion, and exercises

5. Are there prerequisites for this course?

There are no prerequisites for this course.

6. Do I have to complete any prework for the course?
