

Frequently Asked Questions

Course Title: Applying for Federal Grants and Cooperative Agreements

Course #: 2065

Duration: 2 Days

Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

1. What business or organizational need does this course address?

Learn winning strategies to make the federal financial assistance application process easier and more fluid. Course participants will identify and review funding opportunities to determine the feasibility of submitting an application. Participants will walk through the key components of an effective application. A review of post-award implications will be discussed. In conclusion, participants will assess reviewer comments and identify appeals procedures if an application is not funded. This is a core course in the Recipient Track of the Grants Management Certificate Program GMCP™.

2. Who should attend?

Staff of potential or current federal financial assistance awards who are responsible for identifying funding opportunities and developing applications for federal assistance programs (grants and cooperative agreements) will benefit from this course.

3. What will I learn how to do in this course?

- Describe the federal financial assistance funding process
- Determine which opportunity meets organization and program needs
- Examine the federal financial assistance application process
- Describe the post application submission actions taken by federal agencies and applicants

4. What kinds of activities are included in this course?

Lecture, discussion, hands-on practical exercises, and final exam
