

Frequently Asked Questions

Course Title: Accelerating Team Collaboration

Course #: 4718

Duration: 1 Half Day

Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

1. What business or organizational need does this course address?

Build practical collaboration skills through a fun, scenario-based experience. Participants step into a fictional, high-stakes crime investigation where hands-on activities reveal how teams communicate, make decisions, and overcome silos. In today's fast-paced government environment, mission success depends on strong teamwork. This experience will give government professionals tools they can immediately apply to solve problems and strengthen team results—no matter their role.

2. Who should attend?

Government professionals on new teams or teams that want to establish a strong foundation from which to improve collaboration. This experience is designed for employees who participate in, manage, or lead cross-functional teams.

3. What will I learn how to do in this course?

- Strengthen team collaboration and communication using practical tools for engagement and decision-making
