

Frequently Asked Questions

Course Title: Appropriations Law: Advanced Applications

Course #: 5159

Duration: 2 Days

Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

1. What business or organizational need does this course address?

Where and how to find guidance to address an appropriations law issue may not be readily apparent—and the consequences may be harsh if you get it wrong. This course builds on the principles of appropriations law to guide participants through the process of analyzing and researching an appropriations law issue, then defending the ultimate decision to stakeholders.

2. Who should attend?

This course is designed for anyone familiar with the tenets of appropriations law who needs to make sure federal funds are executed properly.

3. What will I learn how to do in this course?

- Determine the key points in a given situation, then the best sources to research in order to reach and support a decision on the best course of action
- Analyze and research case studies related to the principle of Purpose to reach and defend a decision
- Analyze and research case studies related to the principle of Time to reach and defend a decision
- Analyze and research case studies related to the principle of Amount to reach and defend a decision
- Analyze, research, and defend an appropriations law case

4. What kinds of activities are included in this course?

Individual, small-group, and large-group exercises; lecture, discussion, case study, action planning
