

Frequently Asked Questions

Course Title: EDFMTC Module 1: Resource Management Environment—Self Guided

Course #: 5691

Duration: Self-guided

Delivery Method: Self-study online

1. What business or organizational need does this course address?

Explore areas of Defense financial management beyond your daily responsibilities to learn how they relate to the resource management environment and help ensure cohesive financial management operations. We will focus on the topics that will benefit your Certified Defense Financial Manager (CDFM) exam preparation efforts with both traditional and digital study options to help with your review. This course will review the government resource management environment, manpower management, management's responsibility for enterprise risk management (ERM) and internal control (IC), and fiscal law. At the end of the course, you will also gain access to the Exam Prep Tool to help you prepare for the CDFM certification exam for Module 1: Government Resource Management Environment.

2. Who should attend?

This course is tailored for self-learners seeking to enhance their expertise in financial management within the Department of Defense. It covers essential topics including resource management, manpower management and internal control for the Certified Defense Financial Manager (CDFM) certification exam, specifically Module 1: Resource Management Environment. Whether you're preparing to take the exam or simply aiming to deepen your understanding in these areas, this course provides comprehensive guidance and resources to support your learning journey.

3. What will I learn how to do in this course?

- Discuss the significance of the federal legislative process in shaping the allocation of federal funds and resources.
- Explore the role of financial management in planning, estimating, and mobilizing manpower in the DoD.
- Explore the principles of Enterprise Risk Management (ERM) and internal controls in mitigating risks within the DoD.

4. What kinds of activities are included in this course?
