

Frequently Asked Questions

Course Title: EDFMTC Module 3: Accounting and Finance—Self Guided

Course #: 5693

Duration: Self-guided

Delivery Method: Self-study online

1. What business or organizational need does this course address?

Explore the areas of Defense financial management beyond your current daily responsibilities to understand the big picture and help ensure more cohesive financial management operations. We will focus on the topics that will benefit your Certified Defense Financial Manager (CDFM) exam preparation efforts with both traditional and digital study options to help with your review. This e-book will allow you to review the federal government accounting, finance operations, auditing, and fiscal law. At the end of your review of the e-book, you will also gain access to the Exam Prep Tool to help you prepare for the CDFM certification exam for Module 3: accounting, auditing, finance, and fiscal law associated to the core area of resource management.

2. Who should attend?

This course is tailored for self-learners seeking to enhance their expertise in financial management within the Department of Defense. It covers essential topics including resource management, manpower management and internal control for the Certified Defense Financial Manager (CDFM) certification exam, specifically Module 3: Accounting and Finance. Whether you're preparing to take the exam or simply aiming to deepen your understanding in these areas, this course provides comprehensive guidance and resources to support your learning journey.

3. What will I learn how to do in this course?

- Describe policies and requirements for DoD finance
- Summarize the laws and regulations impacting DoD accounting
- Explore the audit lifecycle in DoD

4. What kinds of activities are included in this course?

No Information Available.

5. Are there prerequisites for this course?

There are no prerequisites for this course.
