

Frequently Asked Questions

Course Title: Manage Risk Through Effective Enterprise Risk Management

Course #: 5810

Duration: 2 Days

Delivery Method: Instructor-led live classroom

Alternative Delivery Methods: Instructor-led online (synchronous)

1. What business or organizational need does this course address?

Understand the relationship between internal control and Enterprise Risk Management (ERM) to address agency risks by conveying their impact across a strategically aligned portfolio. This leads to the accurate prioritization of challenges to support effective use of resources and the achievement of the mission. This course will enable you to adhere to the ERM requirements outlined in OMB Circular A-123.

2. Who should attend?

This course is designed for program and project managers, supervisors, and staff in all disciplines and at all levels, including internal review staff.

3. What will I learn how to do in this course?

- Explain the governing authorities that relate to Enterprise Risk Management (ERM) and how they apply to this process within the government environment
- Demonstrate the ability to identify, assess, and manage risks
- Explain OMB and ERM Playbook guidance on ERM and its application for an effective ERM process
- Use ERM frameworks and models to maintain, sustain, and mature the ERM process

4. What kinds of activities are included in this course?

Individual, small-group, and large-group exercises; lecture, discussion, and case study.

5. Are there prerequisites for this course?

Suggested:

- [Internal Control: Meeting Federal Requirements for Accountability](#)

6. Do I have to complete any prework for the course?

Frequently Asked Questions

There is no prework required for this course.

7. Is this course applicable toward a professional certification?

This course applies toward the DoD FM Certification Program
